Teddy enjoying the snow!

We wish everyone a Happy New Year!

We are happy to present our first newsletter and hope it is enjoyable and informative! We would like to take a moment to reflect on this past year. As many know, it has been a very long but rewarding experience. After two incredibly challenging moves, we are finally in our permanent location and feel so fortunate to operate in such a magnificent facility. We want to thank all of our clients for their patience and support that was demonstrated

throughout the past year. 2012 is shaping up to be an exciting and busy year. The outlook includes new programs, a new Show Series, new stable activities, and many horse shows. We are so privileged to share our facility and ponies with so many wonderful people. Best wishes from all of us at Partridge Acres.

Introducing (drum roll...) "Partridge Stepping Stone Show Series"

The "Partridge Stepping Stone Show Series" will consist of 6 horse shows.

Examples of classes and divisions may include lead line, walk, walk/trot, poles, cross-rails, short stirrup, baby green, ponies, pre-children/adult, equitation classes, as well a selection of special classes including Costume.

Shows will be held in March, April, May, September, October and November. The November show will be a "Grand Finale Mini-Royal" Championship. Great Prizes & awards! More details to come.

We invite all our Partridge students (2 year olds to adults- there is a class for everyone!) to participate in the Stepping Stone Show Series!

New Kids Programs in 2012

Pony Mates Mini Camp- Single Days

We are making the popular Mini Camp program more accessible for riders (Mini Camp will be scheduled 1x per month on a Saturday from 1:30-3:30 pm- there will be a sign up sheet and it will be on a first come basis). No experience is required to participate and it can be added as an extra day to a child's regular lessons. Great for bringing a friend who may want to try riding too! Mini Camp is open for riders 5-10 years old. \$40 (plus HST) per day

Attention Pony Garten Riders-

New Age for Pony Pals 5+ years

Pony Pals is lowered to AGE 5 in order to allow those children who are ready to move up from Pony Garten to begin riding for ½ hour. This will double each lesson and allow for continued progress and additional practise time. If you are interested in advancing to this ½ hour program please contact us and we will be happy to make the change. Pony Pals remains at \$160/month (plus HST).
